Zori® Powerlex Modesty Panel

Intentionally designed for the Zori Collection, this modesty panel is constructed with robust materials for flexible yet tamper-proof power and data management. With chamfered edges and multiple finish combinations, there's no need to sacrifice aesthetics for practicality.

Product Details

- Powerlex Modesty perfectly manages cables. Scallops in the panel allow wires to pass easily from the surface into the modesty panel.
- Features one locking hinged door and one removable door (with fasteners). Modesty is non-handed and oriented during installation.
- Includes a 4-wire power system with three duplex receptacles and jumpers. Infeed ordered separately.
- 27.75"H bases have a finished surface height of 29"H. 30.75"H bases have a finished surface height of 32"H for wheelchair accessibility.

Multi-circuit power system

Includes scallops at the top of the modesty for cable management

Ganging Cover connects tables and covers cables

Routing Hole Covers are available for aisle conditions and freestanding tables

Zori Powerlex tables are available in 32"H for ADA accessibility.

Cable management and secure locking cover.
