Addendum 2
Request for Information
New Integrated Library System for Wayne State University Library System (WSULS)

Dated February 11, 2025

Questions have been raised for the University's **New Integrated Library System for WSULS** project for the **University Library System**. A summary of the questions asked, and the University's responses, in blue, are as follows:

Could you please provide the following metrics:

- Total number of bibliographic titles (including e-books): **2,549,438**
- Total number of unique e-journals: **181,686**
- What is the total number of individuals who will require login access to the system (including part-time staff and student workers)? **150**
- What is the total number of end users and patrons (that is, FTEs) who need access to library online services? **34,637**
- If you would like to manage digital resources/collections in the new system, what is the total number of digital objects? **N/A**
- Size of your digital collection (in GBs)? (if applicable) **N/A**

Documents may be obtained by vendors from the University Procurement website at (<http://go.wayne.edu/bids>) When visiting the website, click on the "Technology" link in green. Submittals with supporting documentation shall be submitted **online**. The link for RFI submissions is posted at <http://go.wayne.edu/bids>. Remember, your submittal must be in the format provided and received by **February 28, 2025, at 2:00 p.m.**

Submittals are due **by electronic submission on February 28, 2025, at 2:00 p.m. (Detroit / EST)**. The link for submission will be posted with the RFI details at <http://go.wayne.edu/bids>.

Do not contact the University Library System, or other University Units, directly as this may result in disqualification of your submittal.

Thank you,
